Provided, that the bonds, certificates or other evidences of indebtedness, subject to payment under this act, as well as the amount to be paid and interest on the same, shall be such as is provided for in said act; and provided further, that the promissory notes referred to in the said Act of the Legislature of Texas, approved February 1, 1856, as being under an act of Congress of the Republic of Texas of the date June 7, 1837, but being really issued under the Act of Congress of said republic, approved June 9, 1837, are understood to be within provisions of this act; and provided further, that all valid bonds, certificates and other evidences of indebtedness issued by David G. Burnet, President of the Republic of Texas, ad interim, between the sixteenth day of March, 1836, and the third day of October, 1836, are understood to be within the provisions of this act; provided, that no claims shall be paid that have been heretofore rejected by the government of the United States, and the claimant shall show by his affidavit that no such rejection has been made so far as he knows or can ascertain; provided, that the holder of such bond, certifi-

cate or other evidence of indebtedness desiring to collect the same, shall present the same to the Comptroller of this State, together with his application for the payment thereof, supported by his own affidavit of its genuineness and that he is the legal and bona fide owner thereof, and further supported by the affidavit of two credible persons, resident citizens of the same county as the applicant, that they know the applicant and that he is the person he represents himself to be, and that they verily believe such bond, certificate or other evidence of indebtedness to be genuine, and that they further believe that the applicant is the legal and bona fide holder and owner of the same; provided, that the county judge of the county where said applicant resides, if satisfied that the claim is genuine and that the applicant is the legal and bona fide owner thereof, shall make endorsement on such application, so stating; and provided, that upon the presentation of such bond, certificate or other evidence of indebtedness to the Comptroller, supported and verified as above required, and the surrender of the same to him, it shall be the duty of the Comptroller, if satisfied of the genuineness of the same, to draw his warrant in favor of the owner upon the Treasurer of the State for the amount due upon such bond, certificate or other evidence of indebtedness, as said amount is defined and determined and provided for by said Act of Congress, approv-

ed February 28, 1855, and said Act of the Legislature of this State, approved February 1, 1856; no interest shall be paid on any bond, note, certificate or other evidence of indebtedness for any period subsequent to February 1, 1856.

Sec. 2. All buildings for the equipment and erection of which appropriations have been made under this act and all improvements of and repairing of public buildings shall be erected and made under the direction, management and supervision of honest and competent architects, who shall be appointed by the Governor and whose fees or salary shall be deducted from the respective appropriation made for such purposes; and it shall be unlawful for the Comptroller of Public Accounts to issue any warrants on the treasury, and for the Treasurer to pay any such warrants for the erection of any of the public buildings herein provided for, or for any such improvement of or repairing to any public buildings, except upon an itemized statement of such expenditures approved by the Governor with his written approval thereon; which itemized statement shall be filed and kept by the Comptroller for public inspection; and provided further, that a duplicate certified copy of the plans, specifications and estimates used in the erection or improvements of any of said buildings shall be filed with and kept by the Secretary of State in his office for public inspection; and provided further, that any appropriation made under this act for the erection of new buildings and improvement of old buildings and the purchase of machinery and equipments shall be withheld by the Governor, if in his opinion the condition of the treasury will not warrant the expenditure of any such sum or sums.

Sec. 3. Provided, however, that with the exception of the appropriation made for the account of the State Penitentiary and Assistant Attorney General, that the Comptroller of Public Accounts is hereby instructed to draw no warrant against any appropriation made for the various State institutions and departments of this State, unless an itemized statement under oath be filed as a voucher in the office of said Comptroller.

Sec. 4. It is hereby required of each and every institution of this State to keep an itemized account and record of all moneys received from sales of all property, products, animals and leases of property, and the managers, presidents

and superintendents of all such institutions shall cause to be made semi-annually to the Comptroller of Public Accounts an itemized statement, showing all such sales and moneys received therefrom and from such leases; provided, that the Superintendent of Penitentiaries and the Regents of the University shall not be required to do more than is at present provided by law, and they are exempt from the operation of this section.

Sec. 5. The fact that there is no appropriation for the support of the State government from August 31, 1901, to September 1, 1903, creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect from and after its passage, and it is so enacted.

**GENERAL APPROPRIATION BILL—
FREE CONFERENCE COM-
MITTEE REPORT
ADOPTED.**

The President laid before the Senate the Free Conference Committee report on the general appropriation bill (see foregoing bill) and, question being on the adoption of the same, the report was adopted.

Senator Patterson made a motion to reconsider the vote by which the Free Conference Committee report was adopted.

Senator Davidson of DeWitt called for a division of the motion of Senator Patterson, inasmuch as the Senator from Falls (Mr. Swann) desired a roll call, and to place his reasons in the Record.

The President announced that the question was on the motion to table the motion to reconsider, which, if defeated, would be tantamount to a division of the question, as action then recurred on the motion to reconsider.

The motion of Senator Patterson, "to table," prevailed by the following vote:

**REASONS FOR VOTES—SENATORS
SWANN AND LLOYD.**

"We vote 'no' on the question of tabling the motion to reconsider the vote by which the Free Conference Committee report on the general appropriation bill was adopted for the following reasons, to wit:

"Because we believe that in not allowing it the full constitutional amount of \$250,000 for the pay of Confederate pensioners for each of the years ending, respectively, August 31, 1902, and August 31, 1903, a great injustice has been done the most deserving men and women to whom any State or country ever owed a debt of gratitude, and we further believe that it is the expressed will and wish of a large majority of the people of Texas that the full amount of \$250,000 per annum should be given the Confederate pensioners."

"SWANN,
"LLOYD."

FRANKLIN NUPTIAL

APPENDIX.

By virtue of a motion made by Senator Davidson of DeWitt, during the executive session, the remarks of the Senator from Harrison (Mr. McGee) are herewith included in the Record.

Senator McGee spoke as follows:

"Mr. President and Gentlemen of the Senate.

"The Senator from Bell has made the motion to reconsider the action of the

Senate in executive session on Friday last rejecting the nomination of Richard B. Levy, Jr., to the district judgeship of the Fourth Judicial District. Senator Patterson kindly made this motion at the earnest request of Judge Prendergast and myself. I desire to state to the Senators that I appreciate their courtesy to me voting against the confirmation of Judge Levy, and to assure them that I am grateful for their personal consideration. Judge Prendergast would not under any circumstances now accept the appointment.

"He desires me to express his appreciation of your good will to him as shown by voting with me on Friday.

"In withdrawing opposition to this confirmation, I do not retract in any degree nor in any way what has been said by me as to the consideration due me as the Senator from the district I represent, and say here that the proper courtesy and consideration has not been shown the position I hold and hence has not been shown you by the Governor.

"I may not be your worthy associate here, nor able to properly represent my district, but by the eternal I was the Senator from that district last week, was last Friday, am now, and I shall be until my term of office expires.

"Mr. Levy's friends recognize that I am the Senator from their district and that the Senate has the constitutional prerogative of advising and consenting to these nominations, and I have with me now their request that I reconsider, and have you reconsider, his rejection by this body.

"You will testify with me that I have spoken only words of praise for Mr. Levy—of his upright character, of his ability and fitness, putting my objections to his confirmation on the ground that Judge Prendergast was entitled to the appointment; that Harrison county was entitled to it, and that Gregg county was not—but after telling you that Judge Prendergast would not now have the office, how can I ask you to continue to reject Mr. Levy when I have told you and tell you now that he is worthy of it?"

FOURTEENTH DAY.

Senate Chamber,
Austin, Tex., Tuesday, Oct. 1, 1901.

The Senate met pursuant to adjournment.

Lieutenant-Governor Browning in the chair.

The roll was called, a quorum being present, the following Senators answering to their names:
